Summer 2011

More Than 300 Participate in First Lace Up 4 Learning 5K

The District 128 Foundation for Learning hosted its first fundraising event on Memorial Day. More than 300 runners, walkers and volunteers participated in the Lace Up 4 Learning 5K Run/Walk at Libertyville's Old School Forest Preserve. The event included refreshments provided by local businesses, prizes, and a traveling trophy for the D128 school with the largest percentage of student participants. This year's winner was VHHS. Proceeds from the race will be used to fund technology needs at Libertyville and Vernon Hills High Schools. Thank you to all of our sponsors, runners, walkers and volunteers who helped make this first-time event a success.

Special thanks to our sponsors, contributors and friends

Foundation Provides Extraordinary Opportunities for Students

Founded in 2007, the District 128 Foundation for Learning provides resources for innovative and creative instructional ideas that enrich the experiences and programs for students in Community High School District 128.

The Foundation was established in 2007 as a 501 (c) (3) non-profit, autonomous, tax-exempt organization and is led by a group of local community leaders in business and education who believe that we can never do enough to prepare our youth for the future.

Making a donation to the District 128 Foundation for Learning is a powerful way for alumni, parents, community members and interested companies to support learning experiences in the classroom above and beyond those financed through public dollars. And, donating is easy! Simply visit the Foundation website, d128foundation.org, and click on "Donate." **LHS and VHHS parents should also look for the boxes on this summer's online student registration form to add your \$25 or \$50 donation.** Your tax-deductible contribution will help to fund innovative opportunities for our students in the upcoming school year.

3rd Annual Superintendent's Breakfast Celebrates Foundation Donors

Community High School District 128 honored the 2010-11 donors to the District 128 Foundation for Learning at the 3rd Annual Superintendent's Breakfast held March 16 at Vernon Hills High School. Attendees enjoyed breakfast, entertainment by VHHS student musicians, presentations by grant recipient teachers, and the unveiling of the 2010-11 donor listing that will appear on monitors at both schools and at the District 128 Administration Center.

The event streamed live on the District 128 website and can now be viewed on the Foundation website, www.d128foundation.org.

VHHS Fine Arts Supervisor Frank Lestina conducts the string musicians who performed during the breakfast.
